You can search for a specific title or browse by genre (books in the same genre are gathered together in bookshelves). It’s a shame that fiction and non-fiction aren’t separated, and you have to open a bookshelf before you can sort books by country, but
those are fairly minor quibbles.

Repertoires And Cycles Of Collective Action

Despite the seemingly chaotic character of such collective action, social scientists have increasingly noted the remarkable regularities exhibited by even the most tumultuous social change. In this volume, sociologists, political scientists, and historians come together to assess the complementary concepts of repertoires and cycles as tools for illuminating the consistent patterns that emerge from the apparent chaos.
Collected from past issues of Social Science History, with a new introduction and two new essays, Repertoires and Cycles of Collective Action will reward an interdisciplinary audience of readers with the extraordinary vitality that emerges from this rich blend of historical perspectives. Contributors.

Concepts of collection action repertoires and protest cycles. Charles Tilly formulated the notion of repertoires to emphasize both the continuity that collective action exhibits over time and the fundamental changes that occur in the forms of protest over longer historical intervals. His main body of evidence comes from the observation that in

Cycles of Protest - Political Science - Oxford Bibliographies

The word 'repertoire' identifies a limited set of routines that are learned, shared, and
acted out through a relatively deliberate process of choice. Repertoires are learned cultural creations, but they do not descend from abstract philosophy or take shape as a result of political propaganda; they emerge from struggle. People learn to break windows in…

The Kei? Reforms (?????, Kei? no kaikaku) were an array of new policies introduced in 1866 by the Tokugawa shogunate of Japan. The reforms created in reaction to the rising violence on the part of Satsuma and other domains; the initial steps taken during this period became a key part of the reforms and changes made during the rule of Emperor Meiji.
